Now Offering Deck & Fence Maintenance!

The professional builders at Outdoor Structures are now cleaning, staining/sealing decks and fences. We are teaming up with Duron to bring you the highest quality maintenance products with the correct applications. We can also replace any damaged pieces during the process – a job most maintenance companies won't do.

Decks: **Our deck care package includes . . .**

- **Thorough inspection of the deck & replacement of any damaged components** (priced on a time&material basis, customer notified of additional costs before work continues)
- **Careful pressure washing of the deck surface, stairs and railing**
- **Application of DeckBrite wood cleaner with a thorough rinse.**
 - DeckBrite is an oxygen-activated cleaner without acid or bleach. It is non-toxic and safe for pets and landscaping.
